

# **Birthdays at Spicer's**

## **Birthday Parties:**

- **Private Pavilion Rental includes Play Area Admission for your whole group**
- **4 Picnic Tables provided**
- **Private access into kid's play area, each guest will receive a wristband for main entrance admission**
- **Customize your party with add-ons. See Pricing Guide**
- **\$50 deposit required when booking a party, will be deducted from your total**

## **Planning Considerations**

1. **How do I get my party started? With the donut room! You can pay for your party at the donut room and pick up your wristbands. You will be assigned a pavilion (1 or 2). If you require add-ons (see pricing guide), your PYO containers and donuts/cider can be picked up anytime. A code is given to enter the pavilions.**
2. **There will not be a Spicer Employee assigned to your party, it is an on your own event.**
3. **Can I bring in a cake, pizza, or decorations? Yes. Please clean up when your party is over.**
4. **How long is the wagon ride? Plan for 30 minutes. If picking fruit on the wagon ride, plan additional time accordingly.**
5. **How does the wagon ride work? Your group will meet and get on the regular running wagon together at the PYO station. Wristbands will be marked for wagon riders. The wagon ride is not private.**
6. **Pavilion rental is for a 2 hour period. You will have an extra 15 minutes for set up and 15 minutes for clean up additional to your 2 hour rental.**
7. **Bounce houses and other vendors are at Spicer's on fall weekends: If you are interested in these, you can buy tickets from them that day to pass out to the birthday guests.**
8. **On fall weekends, there are many other children in the play area, you might want to have a way to identify those in your group.**
