Frequently Asked Questions:

- Is the $100 Deposit refundable?
    - Yes, if you cancel more than 2 weeks before your scheduled event date. Deposit is non-refundable 14 days before event. No exceptions.

- Is the $100 Deposit a separate fee or will it be applied to the private event total bill?
    - The $100 Deposit will be applied to the total bill.

- Can I book a private party in the afternoon?
    - Since our private events are held inside the tasting room, private parties are held a minimum of 30 minutes after the tasting room closes to the public. Available start times may vary due to seasonal business hours.

- Will I be able to drive myself home safely after a private wine tasting event?
    - To ensure the safety of all guests and the community, we recommend having transportation (designated drivers, cabs, people to drop off and return to pick up, or a party bus, etc.,) arranged for your guests, as each person metabolizes alcohol differently.

- My family/friends are planning to go out to dinner before attending a private wine tasting event. Is it ok to have a drink or two while we're out to eat?
    - We recommend guests do not consume any alcohol immediately prior to attending our private wine tasting events.

- I'm interested in renting Spicer's Winery for my special event, but I'm not sure if I want to add on the tasting package for $12 per person. Can I still have my private party at the winery?
    - Yes! You do not have to add the tasting package to host your special event here. You can rent our tasting room for 2 hours for $200, or 3 hours for $275 and your guests can purchase wine & hard cider from the cash bar.

- Can I bring my children to the winery during a private event?
    - Thank you for understanding that Spicer's Winery Private Events are 21 and over. Private parties are the perfect time for the adults to relax and enjoy the company of good friends and great wine & hard cider!

- So, what's this Murder Mystery all about?
    - The Murder Mystery private event option is an interactive, deductive reasoning, investigation game! You and your guests will be suspects in a murder. Question each other to discover who had the means, motive, and opportunity to commit the murder. Drink wine & hard cider, and accuse your friends of murder… What could be more fun?!

We reserve the right to refuse service and/or refund to noticeably intoxicated guests upon arrival.
